Chaplain Thoughts

Have A Happy Journey

by Rev. Jeff Meyers

A number of years ago my mini-van got a flat tire. Car engineers find creative ways to store spare tires. The spare tire was located underneath the car. As I was scraping my knuckles trying to reach the spare tire, a young man saw my predicament. He asked if I could use some help. I was a bit embarrassed to accept his offer, but I did. With a sense of relief, I watched as he got under the car and released the spare tire. He even removed the flat tire and put on the spare tire. I thanked him for his help.

We all can use some help now and then on the journey of life. The wise person accepts the help when God provides it. When we have a cavity in our tooth, we can complain about the pain for months or we can go to the dentist. When we have a leak in our water pipes, we can keep drying out our wet papers or we can call the plumber. When we want fresh fruit, we can go to the grocery store. Well, you get the idea.... Most days we are unaware of all of the people who came alongside us on the road of life. These caring and competent individuals help us thrive and be prosperous. Take some time and think about all of the people who helped you on your journey today.

When the Israelites were entering into the Promised Land, God gave them some advice for the journey. God advised them to read the Bible and to put it into practice. "Then you will make your way prosperous and then you will have success" (Joshua 1:8). God wanted His people to thrive. The Children of Israel wisely accepted the help God gave them in their journey of life. "Beloved, I pray that in all respects you may prosper and be in good health, just as your soul prospers." 3 John 1:2.
